

The following questions are intended to help us narrow the scope of our design suggestions to those consistent with your preferences. We appreciate you taking the time to complete this questionnaire and believe that it will ultimately contribute strongly to the overall satisfaction you will derive from the completed project.

Please answer (circle) as many questions as are relevant to your project as possible.

## Contact Information

Client name: ..... Telephone #: .....

Address: ..... Email address: .....

1. What type of line would you like to see predominantly in your landscape?

yes      no      unsure

.....

### Tell us about yourselves!

We often try to incorporate subtle symbolism which reflects your personality in our designs whenever possible. We believe that your landscape is a part of your home, not only your house, so we try to personalize your design as much as possible. The more we know about you, the easier inspiration will come.
